Attend an important
call **privately?**

Want **pin drop
silence** to work?

Cuboid

Cuboid's a smart and stylish advanced pod that is designed to create solitary atmosphere to work on confidential matters amidst all chaos. Cuboid provides acoustic design, leading to sound insulation. It has Sensor based light inside the booth together with a working table and other features. It has been engineered in such a manner that it lets you focus and brainstorm ideas to enhance the productivity by providing you pure isolation. It is perfect for a modern office set up making employees happier and more productive.

Comfortable Privacy

Cuboid's a soundproofed space, perfect for private and collaborative focus work, meeting or brainstorming sessions and an important phone call. Its secluded enclosure allows impromptu focus in pure isolation, allowing you to enhance your concentration and boost productivity.

Multifunctional soundproofed space

Cuboid comes with the basic elements you require while working in a private space, so that you can perfectly focus on your calls, brainstorming ideas or simply your work. It is the best place to attend your video calls as it has sensor-based light perfectly angled in the top to provide with the perfect lighting required. Also, because of the sensor based light we do not need to worry about the energy being misused. It automatically switches off if no one is inside the cuboid.

Optimised for Private & Video calls

Designed by engineers to provide you with a space where you can attend your important calls and video calls without thinking about the office chaos.

Creative Lounge

Cuboid two-seater is a soundproofed space, perfect for collaborative focus and brainstorming sessions with a colleague. Perfect for two people, it promotes seclusion, allowing you to elevate your net productivity at work.

Acoustic design

With the right glass, fabric and metal makes it soundproof and gives it a plush finish. Amidst all the office calls and chaos, it permits you to finish your private work in calm and lets you focus entirely.

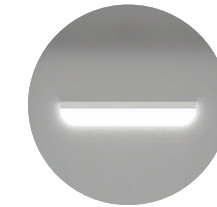

Boost productivity

Cuboid's multifunctional lounge is a soundproofed space for one to four people. Perfect for private work, meetings or brainstorming sessions, its secluded enclosure allows impromptu focus in pure isolation, allowing you to keep your head down and boost productivity.
