Bodie Collection

Bodie

by Boss

Bodie creates an enduring first impression. Characterised by the smooth curve of the sofa's cushions, which seamlessly combines a strong structure with a simple, organic expression. Appearing compact and neat within space, yet spacious and with generous comfort.

Refined

Comfort

Designed, crafted and stitched by our master craftsmen in Cheltenham; Bodie is the perfect choice for spaces where low maintenance and high comfort is required with an exquisite attention to detail.

The sofa family is available in 1, 2 and 3 seater configurations with either a solid oak or American black walnut show wood leg detail.

Relaxed

Style

Far from any obvious attempt to be different, Bodie is a homage to classic comfort and relaxed styling, taking certain characteristics from the Boss portfolio, linearity and simplicity - reworked with fine details for 21st century spaces.

Bodie

Details

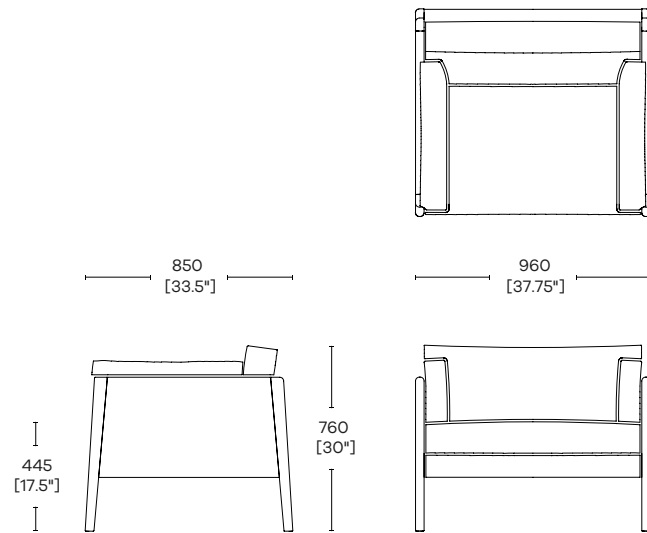

The refined solid timber structure holds an ample premium cushioning along the armrests, seat and back – providing optimum comfort and marrying the soft form with a plush, relaxed functionalism.
